FOR CHILDREN AND TEENS  
with Tourette Syndrome

**June 27-July 3, 2010**  
Massanetta Springs, VA

*Children's Camp Connect (CC-TS) located in Massanetta Springs, VA, offers children and teens with Tourette Syndrome (ages 7-16), seven days and six nights of summer fun and social connections. Camp Connect is sponsored by Children's National Medical Center in collaboration with Tourette Syndrome Association of Greater Washington (TSAGW).*

*Camp Connect provides opportunities for children to build self-esteem, gain independence, and establish social connections with other children and staff who live with the condition.*

*At Camp Connect, children share the experience of being part of a team, while learning, and having fun in a safe, exciting, and supportive environment.*

# Camp Connect for Tourette Syndrome

## REGISTRATION INFORMATION

**F**or only \$750 per camper, children experience seven days and six nights of an overnight camp filled with adventure, laughter and friendships. The residential dorm offers comfortable beds, rooms and showers. Payment plans and a limited number of scholarships are available to eligible campers. Camp Connect will make a strong effort to accommodate any child with Tourette Syndrome who wants to attend. Please complete the registration form on the reverse side and send it with your non-refundable registration fee. You will receive an application package in the mail.

Submit the form to Camp Connect, Department of Neurology, Children's National Medical Center with your non-refundable registration fee. If your child is new, an interview will be scheduled.

## COST

**T**he cost is \$750 per camper, which includes the \$150 registration fee.

*For further information, please call Sandy Cushner-Weinstein, PT, LCSW-C, Director, Brainy Camps, the Department of Neurology, Children's National Medical Center at (202) 476-3181 or 476-5142.*

## PROGRAM

**C**ampers participate and choose from activities including team sports, hiking, arts and crafts, canoeing, a low and high ropes confidence course, camp Olympics, swimming, yoga, and drama. Support groups and educational programs promote knowledge, skill development and social connections. At Camp Connect, children and teens gain a better understanding of their condition, strengths, and self-worth.

## STAFF

**C**amp Connect's staff includes a pediatric neurologist, social worker and physical therapist, nurse and psychologist from Children's National Medical Center, in addition to trained counselors carefully selected for their genuine interest in children and teens. Many counselors are college students and professionals with Tourette Syndrome. Campers benefit from their experience, knowledge and understanding.
